

Granite Tank & Water Line Replacement Project

Very
**Out with the [^]Old...
In with the NEW!**

*Work to Start Sooner than Expected
South Little Cottonwood Road to Close Wednesday, June 25th*

The project will:

- ✓ Tie-in water line from new storage tank to existing line on Wasatch Blvd.
- ✓ Require construction crews to close South Little Cottonwood Road for up to 90 days.
- ✓ Avoid service disruptions
- ✓ Be constructed during daylight hours.
- ✓ Detour traffic to North Little Cottonwood Road while South Little Cottonwood Road is closed.

Thank you for your patience while this much
needed upgrade takes place.
